Re: Tavarez-Vargas v. Space Exploration Technologies Corp., 1:21-cv-10387-JPO
Request to Extend Time to Respond

Dear Judge Oetken:

We represent defendant Space Exploration Technologies Corporation ("SpaceX") in connection with the above-referenced action. Pursuant to Your Honor's Individual Rules and Practices in Civil Cases, we write, with the consent of counsel for Plaintiff Carmen Tavarez-Vargas ("Plaintiff"), respectfully to request that the Court extend SpaceX's time to respond to the Complaint for a period of 30 days, *i.e.*, from February 5, 2022 to March 7, 2022. This is SpaceX's second request for an extension of time to respond to the Complaint. The Court granted SpaceX's first request.

In support of this request, counsel for SpaceX states that the parties are engaged in discussions about a possible early resolution of this matter. If granted, this extension will permit the parties to focus their attention on those discussions, rather than on pleadings and litigation. If granted, this extension will not affect any other date scheduled in this action. As noted above, Plaintiff's counsel consents to this request.

We thank the Court in advance for its consideration of this request.

Respectfully submitted,

/s/ Michael F. Fleming
